The Foreign Tax Bill Vetaced.

Aller, May 4—Gov Cornelt, has vetothe bill faring the captals of foreign banks.

The Whitaker Laquiry.

Was thurs, kiny 4—The Whitaker exam
hands was resumed this nearong and Am's
somagable expert gave as the result of bis
stratigations that a most notimate resem
hance existed between the writing in the
tota of wining and the piece of writing despaired as number 25 and its duplicates, sud
han the writing of the person who wrote ho
3 had been used us a copy and that the note
of wining is very skilfully existed. Me
asked that the sheets of pendi writing
asked A and B were in his opinion with in
his beaute person who wrote No 25, but he
usersood the recorder as saying positively
but they were not, in which case he thought
his writing on them two sheets deserved eare,
his Etgation, as whoever wrote them might
sail-bags simulated the writing of, No 25
in the noticy warning hi Menting on them two states deserved ears; hi Menting as whoever wrote them tright sail-black smulated the writing of, No 23 in the noise of warning Albest Sonthworth, a moteof expert to on Souch, was awaranged papers placed in his holds for examine. Ames report is 55 be should not a board of experts to which these will be appointed.

of Pa. vi
of Pa. appointmen a which he may make may be inhesita; or y admitted. It might seem grest a man to perform executive duties mere s direments of the prefidential office. But of the old prophet, habitations for drag m re are told toat the highes order of execu and courts for owls ity comes from the exercise of miletery talents. At the same time it is to be re mbered that the military habit is sound by just co is objects without considering impediments. All experience proves that the highest success in military expacity gives no assurance of an ithe g and lift has returned against him success in civil administration. The reason bility are required in the two positions

that may be expected in a president. Nor cted him in the height of the struggle be strange thing indeed, that we should admin fully under civilians during time of war and omething more than merely iar, he should os a man who can see tives to be taken care of, and he should be there is little or no objection to the legis

ant with the history and legislation glory of man and with "stand plinerageage of paradisacal mustry, and, in absence of the standard of the s it is only from such knowledge that a person is this to judge of the expediency of meaformation of the republic when a sintesman in the highest and fullest sense of the word

than at present This fact is going to be con

greet whisky ring which flourished during Grant's administration and whose proprietor was convicted of complicity with the frauds sent to the penitentary and partioned by Grant, is the original advocate among the newspapers of the country of the third term ent in its present form It now urges everybody, civil service reformers and scratch-

idea that Grant its not seeking the

noralisation is one to smile at. That would do to fell a vest ago but it is now apparento every one that all his movements have been made and timed totally with a view to the More than any other man who ever was Kanting and Missaur for Instance and in the hands of his musatkable good hime as pointed bosses candidate, where he may be, as cerlainly while he was president before have as they will you It is of the utmost imporstaled their all on the desire and e to make bim president again In seeking the nomination he follows their instructions to the letter/s While they are aily silent, but shows himself as directif he is to be made president now, because he is the only at zen fit for the great office he d trembing what would become of the country and as fortunes? It is an unfortunate country which is reduced in its choice to one only man especially if it aspires to the

distinction to no still called a republic

The heathen Chines is pecul ar - no only in spo tive and business ' taxoks the case of the unfortunate Mr. Chow who morning While the representative of China at St Petersburg last year, he conduct was more needed in the presidential office ed negotiations regarded as important by his government. He was called home and greatly applicaded for his services, but, inci-dentally was asked why he didn t do more To this he replied that he had done his best but in epposition it was argued that had he employed the talents for diplomacy which it was admitted that he possessed, greater result : might have been accomplished. And so poor thrown anto preson tried after a fashion and now mass die The secret of all is that the existing ministry want to give his place to another man. It is certainly extraordinar that a charge which comended the death of an official for no crime should re ite his im portant acts and exalt him as a most profound states mess However we rather like her statesman However we rather like her way of gitting rid of a public functionar. when another wants his office It is

The latest number of Harpers Weekly 13ceived here discusses the action to be taken by delegates from democratic sistes to the friends." A ring of politicians who had a give their electoral vote to the democratic tance therefore that the nomination should oe mais by the really republican states which a one can elect the candidate 'A nam mation made by an alliance between states that can give no aid to the candidate and an artificial representation such as instructions produce from ore or two repub wan states would as a d sas at because it would in arep resent republican sentiment at a time when its house representation is indispensable.

Now we have it laid down that when an unsound opinion is delivered from the bench —an opinion which is justly criticised as cottiary to law hod violative of the rights of property as every where recognized—the udge who classests from such common is is the only digen in for one great omore now who cleasents from accomposition is will be still more a indecessity for another equally constrained for it—if any centerm, and for another still, should be live to be—with the judges who deliver it. And by the restoning it is a tempted of make Judge Boise as responsible for the objectionable and illegal decisions as Judges kelly and Frim This argument, it is need less to my emans es from the same querter whence proceeded that marveilous measure ment of the state printing

The Grover democrate light's succeed any bet er in keeping 'the man from lambilt-Galloway -off the democratic sicket than there did in keeping Thompson off in L ne Galleway was the conspicuous democratic member of the committee of investigation which found the democratic sate administration f our 1870 to 18.8 gurty of all kinds of ex travagance peru shon and deling serry. He stands by the indings of the ommittee and will it is budge not make the carvass in his

THE COLLISS MIRDER CASE -Tie case State of Oregon vs. (corps. Coll. s. inducted (arthe murder of Clark Ham it in w.) be griss marder of Clark Ham ithn w 1 be died up for trial in the state of cutt court for Carlamas county this morello, A mo to see mide Monday to pussh the uddetiment y the counsel for the detendant on the master in which the grand jury then indiged Oblins was drawn. The moon was made and argued ofore Judge Baltors, but the court overruled the same last morning a motion will be interposed optimized for the defendant, asking for a congenier for the defendant, asking for a congenier for the defendant, asking for a congenier of the case on the ground that the different was in the third that is alteredance in court could not secured. This motion will be argued this spring on the convenient of the case of the case will be argued this spring on the convenient of the case of the case will be argued the sound with at once. There are about 80 minest to be avanished in the case.

ABosy Day —Yesterday was an unusuajiy busy day for the various departments consaid with the postal service in this city as sery large mail was received jet sternien down. The seward letter caffrers were to be gra all day with buge sacks on their shoulder passing to and fro with a speed that sag more than common. Our citizens are to the jude syare of the immease amount of labor strendard punt the proper distribution of the large mails that arrive by seach steamer. At an instance, the mail per shaemer Orgon was marred at the office at o b'clock this morning and at 8 A. M. was given to the carrier of the same of of the sam sected with the postal service in this city as

Bazer — Yesterday afternoon a light brees spring up from the south which so on incressed to a stiff gate. For several hours the wind blew at a rate which rather forcibly ratioded one of the ever to be remembried gis of last January. The Williamstet for a jane was quite tempestuous, resembling a looped sa and gave the ferry boar a good sat of touble. Windows rathel violently spesswing to and fro and creaked mourn this and the vigorous repays played by the distinctes generally. The wind, after blust diagrammed for some time que is subsaided to damage was done, so far as it known beyond the protesterious pf a portion of the Quest Propose. Bagger - Yesterday afternoon a light

ARTER PROFES GONE -Mrs Laurena Wills, wife'cf Jacob Wills, residing at Wills mils, departed this life on the 3d inst. The decision omit across the plates in 1845. She hadesend omit across the plates in 1845. She hadesen affected with the dropsy for the past upsysars, and for thirden months prot to be dead to be sed most of the time. Mrs. Wills leaves a devoted hussiand, five thildren and a large number of hasds to about her departum. The deceased was used 52 years 7 months and 11 days.

OVERLAND TO VANCOUVER. - The ferry betreen Switze 's landing on the Oregon vide trees Switze's landing on the Oregon de and Vancouver is now running regularly and loss a good dustiness. Since the completion of the long of degenerous the flats just back of feature's, the road has been easily trave ed with all other places it is in good condition. Theore shough not covered by the big bridge will, if the waver should continue to rue at begressen rule for a few days be over its wide and will stop communication. burgeron or Eugerion + Judge Deady as

deal of the E glish surplus to this country. The importations into the United States from Great Britain advanced from 28 920 tons in January and February 1873 to 254 348 during the same n of this year This tendency is still necessing and of this year. This tendency is still necreating and since apperican manufacturers have based their estimates of demand on the assumption of an or-dinary imported supply they will be in some tun-gary of oversocizing the market and producing a sharp treak in prices which are already declif-ing. The thomand has been more than supplied and a rumber of large mills in étannsy vanta have shut down

abit down

The advancing tendency in the wheat markers abroad perceptible at the close of last week a business económics although its Inducence is not appreciable upon prices here which remain at \$1.40 for fair lots with a possibility that a slight advance slight be obtained for whoice.

In this wood market there are flow transactions to note a large part of receipts being sunt direct to Bean France soor it is easier shared.

San Francisco or the east or stored to wait for a resival of the budyancy which characterized the market sarly in the season. The most holders are above buyers rates acolde and the latterunder active outputs are assigned and the latter, under reports from abroad are operating with caution at anything above 22,05% for best grades though ables are said to have been made in the valley this week on the basis of 28c here. This figure is above recent quotatens which have a range down to Bis net pound for indept late. to: 18:: per pound for inferior lot-Trade generally is quiet and quotations generally ramain at the figures last given.
